The Colorado Health Foundation is soliciting nominations for the 2021 Dr. Virgilio Licona Award to be announced in the fall. The Dr. Licona Award winner will be offered the opportunity to designate a one-time \$20,000 donation to support his or her work or that of another nonprofit working to improve the health of Coloradans.*

**The award donation funds may be distributed to the winner's Colorado-based charity of choice, but "shall be used for such charities that do not enjoy substantial support through taxation." As a result, The Colorado Health Foundation may only make a grant to a publicly-funded organization if the grant supports a specific project that does not receive most of its funding from public dollars.*

Applications are due on Tuesday, April 20, 2021 at 5 p.m. MT. For more information about the nomination process, please contact [Keri Jones](#), The Colorado Health Foundation communication officer, 303-953-3695.

Note: Please complete all application questions and provide unique responses for each that offers insights and examples that directly align with the question.
